Our responsibility is to express a conclusion on this condensed interim financial information based on our review. The figures for the quarter ended December 31, 2014 of the condensed interim profit and loss account/statement of other comprehensive income have not been reviewed as we are required to review only cumulative figures for the six months period ended on that date.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity." A review of interim financial information consist of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.
